

2026 BURNT RIDGE RACE PROGRAM

Racers and fans!

Thank you to all for making the trip to Burnt Ridge for the second annual WAVETMX race at this venue.

There are several people in and around WAVETMX that have spent many hours to bring you the best event and experience we can. I would like to thank all the volunteers and sponsors for helping us to get this year's second event together.

Duane Marker (crash)– Club VP, Shawn Johnson-Mudgett - Club Treasurer, Lance Marshall – Club Rep & Website, and Chris Schmuck who does everything all the time. We also have our lap counters, Trackside experts and of course remember that Nick Foster and his crew here working their butts off for us at Burnt Ridge.

We do not currently have the option to run transponders, so have the proper background colors for your class, don't use fancy sparkly numbers or material that reflects the light. If the lap counters can't read your number, you won't be scored. If you must use color tape do not cover the numbers at all. Last year we had 7's that looked like 1's. etc.

Enjoy the weekend, Friday night potato bar sponsored by EVO 3 Cities, dinner on us Saturday night and a raffle to help the club raise a little money.

Sign Up & Check In: near the Finish line.

Friday 2 – 7pm and Saturday 6 - 8am

HAVE A WONDERFUL TIME! RACE HARD; HAVE A BLAST! LEAVE HAPPY!
